

Student's lodging

As a student in Eskilstuna you will find the university, train- and busterminal, shopping and entertainment in the very center of the town. Staying in our apartments you are no more than three kilometers away from the university. We have special offers for you who decide to study in Eskilstuna. You pay rent ten months per year, and stay with one month's notice.

Vakteln

Ready for occupation in the autumn 2006. Everything is near new. Perfect location in the center of the town, only 200 metres away from the university. 36 apartments (25 square metres) with kitchenette, lavatory and shower.

Facklan

Student's lodgings in Facklan. Close to the university, in Nyfors, we offer 23 apartments of 25 square metres with lavatory, shower and kitchenette with microwave oven. Access to a big kitchen and laundry room. A special fee gives you free connection to the university-network. The rent includes cablevision and electricity.

Valfisken

Student's lodgings in Bruksgatan, close to the university. 23 apartments with shared kitchen and livingroom and three with kitchenette. All the apartments have lavatory and shower. A special fee gives you free connection to the university-network. The rent includes cablevision and electricity.

We also offer students to stay in selected apartments of varying sizes in our standard buildings. The rent is reduced for students. If you share an apartment with a friend you stay even cheaper. Cablevision is included. Electricity is charged by normal tariff. The majority of our apartments in town have broadband or high-speed-Internet. Examples:

Lagersberg, Brunnsbacken, Fröslunda and Viptorp

These housing areas are all located no more than three kilometers from the university, close to green open spaces and jogging tracks. There are bus service and cycleways that take you to the university.
